Memorandum

TO: Brian Bigelow, Zoning Administrator
 FROM: Dennis Lutz, P.E., Public Works Director/Town Engineer 
 DATE: 27 September 2007
 SUBJECT: Proposed Single Family Residence and Accessory Apt in a Separate Building at 64 Center Road (Jeff Lyon)

We have reviewed the submittals and generally find them acceptable subject to the following:

- 1) The accessory apartment is located in a separate building more than a few hundred feet away from the primary residence and the plans show it to be served by separate sewer and water connections. The separate connections are required by Town ordinances. The impact of this is that there is a separate water and sewer initiation fee for each of the buildings. Each building must be metered. The fees are:

	Sewer	Water	Total
Singled family residence	\$2400	\$1900	\$4300
Accessory Apartment	\$1980	\$1630	<u>\$3610</u>
		Total	\$7910

- 2) Approval for the shared driveway must be obtained from VTRANS and the Town.
- 3) The shared driveway is acceptable to Public Works providing that the driveway apron is dug out, replaced with approved gravel for subbase and then paved with at least 3.5 inches of asphalt. In a similar manner the driveway back of the sidewalk needs to be paved for a distance of 20 feet.
- 4) Silt fence needs to be erected in the area of the construction which is in close proximity to the wetland per the Town's stormwater ordinance Appendix A .
