Sharon,
From the Tenant...

Our company contracts to the US Postal Service to move US Mail from the local distribution center in Essex Junction VT to local post office facilities throughout Northern VT. We will be employing approximately 35 people (mostly drivers) however almost all of them report directly to their truck, perform their scheduled route, and then park their truck and go home. I anticipate that we might park 3 trucks at this location while all others will be parked at other local lots.

Our use will be somewhat unconventional as we do not operate a typical daily business where people will report to this location for their job. We plan to use the 24 New England Dr space as an office area for our manager who will most likely work 9:00am – 3:00pm Monday through Friday. Our drivers will stop in after their routes to drop off paperwork and a few may use the space to relax for a few hours in between their morning and afternoon trips. The property will be vacant of people for a majority of the time.

There may be some fit up in the future, but for now let's just get this COU rolling. I will get a check for \$100.00 over to you either via mail or hand delivery.

Do you need the hard copy of the signed permit application or will the scan I sent suffice?
