Subject: Fit2Excel specs on new building on Corporate Drive

Hi Sharon and Ken -

Our business, Fit2Excel, is a Strength and Conditioning facility/Sports Medicine Clinic. We serve clients of all ages in both areas.

Currently, including myself and Sheila, we have four employees, but the equivalent FTE is two because of the very part time positions that two of them have and Sheila being more on the road than she is in the office.

Classes range from one personal training client at times, to 8-12 for an average class size, occasionally reaching 15 people. Classes occur 8-12 times/week depending on the season.

We have irregular hours, largely based around class times, but typically are open 8 am to 6:30 pm, M-F and 8-10 am Saturdays.

Please let me know if this information suffices. If you need anything else, I'll be happy to get it to you asap.

Thank you,

John
