Good Afternoon Sharon,

Enclosed is our building Permit Application with check as discussed.

As a recap: We have an existing detached garage that is an open space. We are going to divide up the space with three walls to create a distinct personal workshop for our power tools and small house projects, a garage area for a vehicle then a larger space for our workout equipment and storage. We will be adding some insulation, patching drywall and adding the walls. This space is for personal use only, no plumbing is being added and the footprint/exterior of the garage is not being altered.

Thank you and I hope you have a wonderful weekend.

Best,
Erin
