I am attaching a revised file. The condition of the existing metal bracket was poor, so we are going to use new flat bracket on the posts. This has changed the dimensions of the sign slightly.

Please let me know if you have any concerns or if we can proceed to fabrication. Thanks -kms

Hi,

Fortunately, Gabe pulled a permit to switch out his old sign with a new sign. Due to Covid, I will allow the change, however you will need to send me a mock-up of exactly how the sign will read before you have it made. I will attach it to the 2015 permit.
