**Establishment of a Beverage Container Redemption Center
CASTLE REDEMPTION**

Jeff LaFountain (Applicant) submitted an application to the Agency of Natural Resources pursuant to 10 V.S.A. Chapter 53 requesting to operate a beverage container redemption center.

Findings

1. Cathy A. Stacy has been appointed Administrator to receive and determine all matters relative to the establishment of beverage container redemption centers, as provided by 10 V.S.A. Chapter 53.
2. The proposed redemption center is located at One Gero Court in Essex, Vermont.
3. The proposed redemption center will provide services to, or will be easily accessible to, the elderly, disabled, or indigent persons using the redemption center and conveniently serve the public need.
4. The proposed redemption center may serve as and be an alternative beverage container redemption location for retailers at the mutual agreement of participating retailers and the operator of the redemption center. The Secretary may, upon receiving a written request from participating retailers, exempt said retailers from the requirement to redeem deposits on beverage containers.

Order

The Applicant will:

- B. Post a copy of Environmental Protection Regulation, Chapter 10, Deposit for Beverage Containers in a conspicuous place on the premises.
- C. Assure arrangements for collection of beverage containers, reimbursement of deposits, and payment of handling fees shall be at such times and by such methods as are mutually agreed to between the redemption center operators, the manufacturers or distributors of carbonated soft drinks and malt beverages, and the Department of Liquor Control.
- D. Notify the Administrator of any sale, lease, or transfer of this business to any other party or parties or to any other location. Such action or actions shall render this Order null and void.
- E. Notify the Administrator if it ceases to do business. Cessation of normal business for a period of more than 30 days shall render this Order null and void.
