Jesse,

I thought I would be able to read the hard copy better however I can't. **Sorry, thats what they sent me.**

Questions: What size are the letters? *long* **gymboree is 81"x18"**, *long* **outlet is 62.5" x 8.75"**
Did you determine the size of the sign using the façade square footage related to this unit only or did you use the whole building facade? **Just their leaseline to leaseline 48' (please confirm)**

Thanks, Sharon

Subject: gymboree outlet signs

Hello, Here is the paperwork for the Gymboree Outlet we talked about on the phone.

The landlord sign off the sign shows neon letter which has been changed to white LED's in the last attachment. The letters color is black.

Let me know if you need anything else.

Have a good day!

Thanks, Jesse
