Subject: xxxx Possible SPAM xxxx Layout for the Essex Front Sign

Sharon

The attached file shows a reworked layout for The Essex entrance sign.

The main copy is all 6 +/- inches or greater (up to 20")
The subcopy "Vermont's Culinary... & New England" Are both 3+/- inches high
The subcopy "FEATURING" is 2.5+/- inches high

The color scheme is as follows:
Background is a light slate gray.
Border, swoosh, background of NECI sign, and Main copy is a dark chocolate brown.
Sub copy on main panel is deep green; subcopy on NECI sign is white.
Inset borders are 23K gold.

It would not be practicable to significantly increase the lettering beyond these sizes without distorting the integrity of the brands.

Call me if you have any questions.

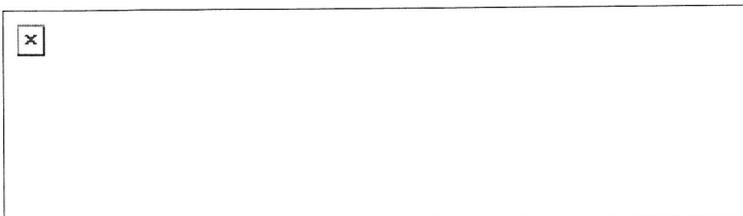

Thanks!

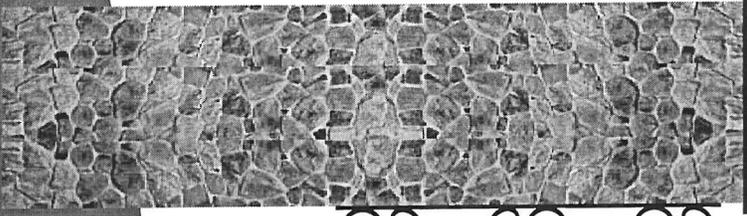

Bob Diaco,
Owner
