# Installation Certification Signature Sheet

**Instructions:**

The Submission Number and Version of the online Installation Certification being signed must be entered in the field below.

**Hand Signatures** - This signature sheet can be downloaded, printed, signed by hand, and then scanned and uploaded to the **Signatures** section of the online form.

**Digital Signatures** - This signature sheet can be signed using the certificate-based digital signature capability available in Adobe Acrobat/Reader (or other PDF software with similar capability) and then uploaded to the **Signatures** section of the online application form. If this sheet contains one or more digital signatures, it must be uploaded in a format that does not compromise the ability to click on the applied signature and validate it. The digital signature applied must include the signer's full name, email address, and the date and time of signing. Because the Signature Sheet needs to be submitted in a format that allows the signatures to be validated, a Signature Sheet cannot contain both digital and hand signatures.

**Note:** If you digitally sign this sheet, please don't enter a date in the Signature Date field. The date and time must be included in the digital signature that is applied as described above.
