RE: Certificate of Occupancy # 211-87

Dear Mr. & Mrs. Reynolds:

About one week ago, I performed a Certificate of Occupancy inspection on your property at 138 Colchester Road. At that time you were informed that to make the inspection final two items had to be completed.

A) You were to obtain a letter from Lamoureux Engineers regarding an inspection of your mound septic system and
B) make arrangements with the Town Accountant for payment of the water hookup. Upon completion of these items you were to give me a copy of the letter and notice from the Accountant of payment arrangements.

If these items are not completed by May 27, 1988, I will have no choice but to initiate enforcement action to abate the matter. Your cooperation will be appreciated.

If you have any questions please call.

Sincerely,
