Re: Unit #22, 23, 24 Water & Sewer Inspection  
Wilsons End Place

Dear Aaron:

Please find attached a sketch with ties and photos that depicts the water connections for Unit #22, 23, 24 on Wilsons End Place at the end of Old Susie Wilson Road.

The sanitary sewer and water connections were inspected by personnel from our office who verified that the installation was performed correctly including the use of crushed stone bedding and a satisfactory gradient from the building to the sewer main for the sanitary sewer connection.

If you have any questions, please do not hesitate to call.

Sincerely,

Graham Tidman, EI  
Licensed Designer - Class BW
