Subchapter 003 : Union Municipal Districts

§ 4862. Contents of agreement

Any agreement for the creation of a union municipal district shall specify the following:

- (1) Its duration, if it is to be limited in time.
- (2) The precise organization, composition and nature of any separate legal or administrative entity created thereby, with the powers delegated thereto.
- (3) Its purposes.
- (4) The manner of election or designation of officers of the district, and the powers and duties thereof.
- (5) The means of establishing a budget and financing the union municipal district, and the method, if so provided, for assessing the member municipalities or the taxpayers thereof for the expenses of the district.
- (6) The permissible method or methods to be employed in accomplishing the partial or complete termination of the agreement and for disposing of property thereon.
- (7) The manner in which the agreement may be amended or renewed, where applicable.
- (8) The conditions and procedure under which a municipality may withdraw from a union municipal district or join a district already in operation.
- (9) Any other necessary and proper matters. (Added 1969, No. 197 (Adj. Sess.), § 1; 1973, No. 250 (Adj. Sess.), § 2.)
